

## POLICE FACILITIES

The Police Department utilizes several funding sources to renovate existing facilities and to construct new facilities based on service demands, public safety needs, and external requirements.

The overall plan for the use of the bond funds is to renovate existing facilities and construct new facilities based on service demands. The FY2007 – 2011 CIP budget includes \$23.6 million in bond funds and \$37.7 million in Certificates of Obligation.

There are several renovation projects of importance included in this CIP including: roof replacements at five facilities, electrical upgrades and flood mitigation, and HVAC renovation at the Central Police Station.

This year's CIP's calls for the following projects: Design of a new Prisoner Processing Center, Tactical Operations and Training Center, New Property Room and the relocation of the Mounted Patrol Facility

Highlights of the Adopted FY2007 – 2011 CIP includes:

- New Prisoner Processing Center – joint City of Houston/Harris County project
- Abatement, remediation, rehabilitation of Police Stations
- Roof replacements at five Police facilities
- Cooling system renovation at 62 Riesner
- Firearms Training Center (Qualification Pistol Range)
- Police Radio Infrastructure Upgrade
- New Property Room
- New Police Headquarters including downtown command station.
- Code upgrades, various Facilities
- Crime Laboratory facility
